

Cable management support bars ensure excess tension is not placed on jacks or terminations and help with routing cables within a rack or cabinet.

Features & Benefits

Curved falls: Prevent distribution cable from crimping and maintains a proper bend radius
Mounts to any 19" rack with a standard EIA hole pattern

Holes in top surface: Allow cable ties to be routed through the holes to secure cables in place

Specifications

General Info

Product Line	Ortronics	UPC Number	662875249634
Country Of Origin	United States	Application Sector	Commercial

Additional Information

RoHS Conformant	Yes
